

Perygon Guide

Perygon is an application designed and built at Sedulo. It simplifies complex data, offering insights that drive meaningful progress. Some of the tools that you'll have access to are:

- Staff Happiness score – submit and track your happiness score.
- Employer Net Promoter Score (eNPS) – How do you feel about working at Sedulo?
- Recognition Hub – recognise the people you work with for going above and beyond!

More tools will be made available in future, you can access the app on any device or through the web app.

This guide will show you how to access the app on a mobile device and windows laptop.

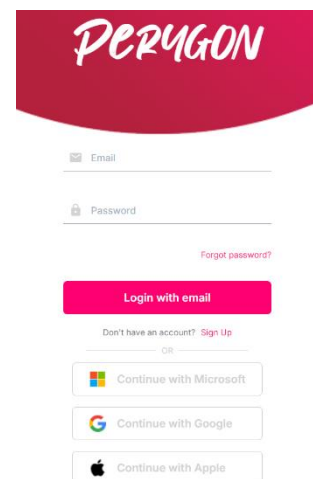

INSTRUCTIONS

Method 1: Web App (Windows)

You will have a link sent to your email every week telling you to the Perygon web app to submit your happiness score.

You can also follow this link directly:

[Perygon - Your Business Growth Toolkit](#)

Method 2: iPhone/Android mobile

The Perygon app is available in both the App Store and Google Play store, simply go to the app store on your phone and install it from there.

To login to Perygon please use 'Continue with Microsoft' to utilise Single Sign-On, you will be asked to enter your Microsoft credentials and may be asked to authenticate as well. This will work on any device.

As with any of these systems and processes, if you struggle to complete them, or have any issues at any point, please submit a ticket to Helpdesk@sedulo.co.uk, and the IT support team will get in touch to assist you.
